

TYC Packing List

This list will be of value in assembling your child's camp equipment. Please have the camper's name on every item, including each item in a pair. **Unmarked items which are forgotten cannot be returned.** Remember that when a camper participates in gathering and packing, they become familiar with their personal property and can be responsible for it.

Items allowed but not included in the list may be extra swimming gear, a baseball glove, frisbee, etc., and a camera (if it won't be a distraction.) **DO NOT BRING RADIOS, CD PLAYERS, IPODS/IPADS, VIDEO GAME DEVICES OR CELL PHONES.** The Trinity Youth Camp Staff does not allow them. **DO NOT BRING FOOD!** It is not allowed in the cabins by the Metigoshe/Camp of the Cross/Red Willow Ministries' staff. Although our staff tries to be helpful, we cannot be responsible for lost, broken, or stolen items. Let your child wear his/her old clothing as camping is meant to be a rustic experience. Since this is a Christian camp – modesty is expected. Tank tops must have straps at least 1' wide and girls are required to wear a one-piece swimsuit. Inappropriate dress, which includes exposed undergarments or improper T-shirt logos, will result in the camper changing into appropriate apparel. All medications brought to camp are left with the nurse to be dispersed at the appropriate times.

To From
